

PACN Green Chemistry and Sustainability Workshop

Cairo University Giza, Egypt

January 07, 2009

Satellite workshop to

The 8th International Symposium on

NEW TRENDS IN CHEMISTRY

and

2nd FASC Congress: “Chemistry and National Development”

9.15-9.30 **Welcoming Words**
Professor Khater, President Analytical Chemistry Society, Egypt,
Dr. Alejandra Palermo, Royal Society of Chemistry, UK

Session: Education in Green Chemistry

Chair: Dr. Temechegn Engida, President of FASC

Cochair: Prof. Dr. M. H. El Nagdi

9.30-10.00 **Prof. Neil Coville, University of Witwatersrand, Johannesburg, South Africa**
Title: “Solventless Reactions and Green Chemistry”

10.00-10.30 **Dr. Hassimi Traore, University of Wisconsin Whitewater, USA**
Title: "Expansion Beyond the Laboratory: Development of a Sustainable Green Chemistry Program at University of Wisconsin-Whitewater."

10.30-11.00 **Prof. Dr. M. M. Emara, El Azhar University**
Title: The role of Universities in maintaining green environment

11.00-11.20 Coffee/Tea Break

Session: Use of renewables

Chair: Prof. Jacob Midiwo, Nairobi University and Secretary PACN

Cochair: Prof. Dr. H. M. Fahmy

11.20-11.50 **Prof. Tom Welton, Imperial College, London**
Title: Vision 2020: Synthetic chemicals from Biomass

11.50-12.20 **Prof. Dr. Mohammed Hilmy Elnagdi M., Kuwait University**
Title: Advances in Green Chemistry

12.20-12.50 **Dr. Yonas Chebude, Department of Chemistry, Addis Ababa University, Addis Ababa, Ethiopia**
Title: *Vernonia Oil- “The Green Plant of the 21st Century”*

12.50-13.30 Discussions
Closing remarks by chairs
